Volunteers

Work in a team
Make new friends
Connect with the village
Contribute to village life

Radley Village Shop

is in urgent need of more volunteers. It has been run by a dedicated volunteer workforce for twelve years, but we now need more volunteers so that the shop can continue to provide a valuable service to the community.

Volunteers

- * Work in the shop or behind the scenes.
- * Need no experience of shop work.
- * Work a regular shift a week or fortnight - or work a shift when they can.

Without more volunteers the village would lose this wonderful resource so for further details,

email Peter at rota@radleyvillageshop.com
or call Peter or Jenny on 01235 200519
or just drop into the shop for further details
